

Recertification Activity 6: Advanced Coursework

Includes credit hours gained in pursuit of an advanced degree (Masters or Doctorate) OR professional enhancement and growth in the life science industry area of practice. Only advanced coursework from accredited curriculum and learning institutions will be accepted.

Maximum RCPs/Year = 8

Graduate Coursework = RCPs × 1
(in pursuit of a degree curriculum)

Continuing Education/Professional Development = RCPs × 1
(Non-degree curriculum)

The following calculation shall be used to determine the number of RCPs: One course credit = One RCP
One education contact hour = 0.1 RCP

Required Documentation:

Copy of letter of notice of completion from the learning institution (on institution letterhead) indicating the course title, learning contact hours, CEUs or credit awarded, AND copy of course brochure/catalogue indicating the degree curriculum (if applicable), course title, learning contact hours, and CEUs or credit.

(Please type in English language)
